## **SCOPE OF CONTEST:**

1. Contestants must submit original work only. On-the-spot photos will be taken during the contest period at COS and will cover some aspect of the Giant Tech Prep Expo or of campus activity that day.
2. All photos must be digital. Contestants must use removable memory cards. **All cards must be empty at the start of the competition.** Cards will be turned in at the end of the competition and returned to students after the awards ceremony. Students must bring their cameras, lenses, and other equipment they intend to use during the competition.
3. Contestants must be present and on time to participate in the on-the-spot contest.
4. Photos will be evaluated for composition and technical skill.

## **EQUIPMENT AND MATERIALS:**

To be supplied by contestants:

1. Digital cameras, lenses, other equipment wanted for competition.
2. Removable card that is empty at start of competition.

## **TIME:**

Contestants may begin when they receive instructions from moderators and have their memory cards checked. Cards must be turned in by the deadline printed on the instruction form obtained on the day of the competition. **Cards must contain only 1 photo and be clearly marked and designated as the Free-lance photo memory card.**

## **SCORECARD:**

Contestants will be judged on composition and technical photo skill as evident on digital photos submitted on the card.
